Academic Recognition
Spring Term 2014

Congratulations!

Your academic performance at Chemeketa Community College during spring term 2014 has earned you this special form of recognition.

Academic recognition at Chemeketa comes in three different forms:

Honor Roll recognizes students who earn a term grade point average (GPA) of at least 3.00 while completing six or more credit hours.

The Dean's List recognizes students who earn a term grade point average (GPA) between 3.50 and 3.99 while completing twelve or more credit hours.

The President's List recognizes students who earn a perfect 4.00 grade point average (GPA) while completing twelve or more credit hours.

Your term grade point average of 3.31 has earned you placement on Honor Roll. (You have been placed in the highest category of recognition for which you qualified this term.)

Contents of This Document

This document contains two different forms of recognition. You are welcome to print these pages as evidence of your academic achievement; however, if you need official documentation of your grades, please contact the Enrollment Center (503.399.5001) for information on ordering official transcripts.

This document includes:

On Page 2: A recognition letter which details your achievement and is signed by the college president and the chief academic officer.

On Page 3: A certificate of recognition with a colored border. Printed using a color printer, this will provide you with a permanent memento of your recognition.

On Page 4: A borderless certificate which you may print on certificate paper (available at most office supply stores). This version of your certificate should print in the center of such paper.

About The Phi Theta Kappa Honor Society...

Phi Theta Kappa is an international honor society for community college students. Chemeketa's chapter of Phi Theta Kappa follows the national guidelines for the qualification, invitation, and induction of Chemeketa students. If your academic history qualifies you for Phi Theta Kappa, you would have received a separate notification of this eligibility. The criteria for membership in Phi Theta Kappa are different from the criteria Chemeketa uses for academic recognition!

If you have questions about Phi Theta Kappa membership, please e-mail ptk@chemeketa.edu or contact the Student Retention and College Life Department in Building 2 on the Salem Campus (telephone: 503.399.5116). Staff in that office will be able to give you information about the society's current advisor.

Aaron Day
Dallas OR

Dear Aaron,

It is our great pleasure to commend you on your recent academic achievement! Your grade point average of 3.31 during spring term 2014 has earned you a place on the Chemeketa Community College Honor Roll.

We know that college is just one facet of your busy life. Chemeketa students work full- or part-time jobs, have families, are active in the community, and have numerous competing responsibilities. The fact that you've juggled all these roles and still managed to earn this outstanding grade point average is a testament to your dedication and hard work.

Our congratulations on an honor that was earned by just seventeen percent of our students this term.

Keep up the good work!

Sincerely,

Cheryl Roberts
College President

Patrick M. Lanning
Vice President, Instruction & Student Services
